

How to purchase CLEASY Services:

We have a clean and easy to use website like all our services.

Please note that some of our services cannot be purchased online, as they need to be seen and quoted by our experts, in case you need one of these, feel free to call or write to ask for a visit and quote for your project.

For the other services you will find all the information and prices on the website Steps for online shopping:

1. Choose the service(s) you need in your home, office or business, in our Home page you will find the areas (Residential and office cleaning services, furniture cleaning, Laundry services, furniture assembly, handyman services)
2. Check the description of the services, the conditions of each one
3. Add it to your basket
4. Proceed to checkout
5. Enter the data requested for the checkout
6. In "Additional Information", write the data that you think are relevant for the delivery of the service (In case you are buying services for STR's write and detail how to enter the property, access to supplies and other important details for our staff)
7. On the Cleasy calendar please select the day and time of your service appointment within the Cleasy hours of operation listed below: Please note that the service will not be provided on the same day you make the reservation. 9:00 - 12:00 / 12:00 - 15:00 / 15:00 - 18:00 *
8. Enter your payment card information
9. Place order

Thank you for choosing Cleasy services, you will receive a confirmation email of your purchase shortly (make sure you have entered your contact information correctly).
